Reason for Referral:

****Please remember: IHT is NOT Individual therapy that is provided on an outreach basis! This is intensive family therapy that is provided by a team of a Master's level clinician and Bachelor's level support worker. Family must be willing to meet AT LEAST once per week for AT LEAST two hours (often will be more than once per week). ****

Behavioral issues/Symptoms that are being demonstrated in home/at school/in the community (Please include any actual or threatened harm to self/others): (if you need more space, use next page)

Is youth at risk of being removed from the home (e.g. Hospitalization? DCF placement? Residential?):
_____

**** PLEASE FAX TO 413-594-1912 or scan and email to: cuevas_aixa@holyokehealth.com ****
